

ACT TWO

Scene 1

Token's Alpine Lodge/Disco Bar and Sauna. The scene opens with everyone on stage, dressed as hard-working men, having a good time in Token's disco bar.

MUSIC #8 : 'YMCA' (TOKEN & CHORUS)

At the end of the number Hannah, Florrie and Frosty enter.

Frosty Ice to see you to see you... *(the usual business)*.
Florrie Oh, thank goodness we found this place, it's freezing out there in the, ah, ah, AH... *(the usual business)*, oh, thank you. In the cold.
Frosty And I'm so hungry!
Hannah We can't stay for long, we have to get back out there and find Ella!
Token Ooh, new faces! Welcome to Token's Alpine Lodge forward slash Disco Bar and Sauna for hard working men.
Hannah Hello.
Florrie Hard working men? Oh, I've died and gone to heaven!
Token You look like you will fit in perfectly here. Well, you must be Frozen...
Florrie *(Interrupting and correcting)*. Frosted!
Token ... being outside in that storm. What brings you here? Need food or shelter? Looking for a good time? We've just started the dancing!
Frosty I would love something to eat!
Token I bet I know what your favourite food is? Icebergers! Hee hee!
Frosty Actually it's cake.
Token Oh, we have lots of cake. Sebastian, bring your sweet tasty buns over here for this wonderful little snowman.

Sebastian brings Frosty a plate of iced buns which Frosty starts eating.

Frosty Oh, these buns are delicious.
Token Sebastian is an excellent chef. Sadly, his twin brother is a terrible villain who leads a life of crime. But Sebastian went to culinary school and has opened a successful restaurant... Just goes to show, you can't judge a cook by his brother
Frosty Oh, won't you have one?
Token No, I cannot eat cake, because it makes me fart. *(He means 'fat', but with his accent he pronounces it 'fart')*.
Florrie I beg your pardon?
Token What? *(Patting his stomach)*. Don't you think I'm fart enough already?
Hannah We're looking for someone, erm, the Queen actually; she hasn't passed by, has she?
Token Oh no! In this terrible storm the only people to come here are my regulars and you. Oh, and that guy over there.

Some of the regulars move to reveal Kristian is there.

Hannah You? What are you doing here?
Kristian I come here often.
Hannah Really?
Kristian Yeah, I like it here, they play really good music and everyone is friendly to me.
Regulars *(They all wave)*. Hallo, Kristian!
Kristian Anyway, why are you here?
Hannah You haven't heard? We're looking for my sister.
Kristian She ran off again?
Frosty Oh it's worse than that, she plunged the Kingdom into perpetual winter. Everyone is struggling to survive. I was lucky not to catch hypothermia.

Florrie Frosty, once again, I think you'll be ok.
Frosty CASH! *(He looks surprised at what he's just shouted).*
Florrie What was that?
Frosty I'm not sure... CONNNNNTRACTS!
Hannah Are you alright?
Frosty I think so. Carry on, I'll be fine.
Florrie Kristian, it's great to see you. We could use your help.
Hannah His help? How could he possibly help us?
Florrie He makes deliveries round here; he knows these mountains like the back of his hand.
Kristian *(Proudly).* She's right.
Token You know, it is very dangerous out there without a guide, why only yesterday two of our good friends drowned on the lake.
Frosty Really?
Token Yes, they were sitting in their kayak feeling chilly so they lit a fire in the craft. It sank, proving once and for all that you can't have your kayak and heat it.
Hannah But... well... we can... oh, all right. You can help us. You know, I'm still really surprised we found you in here?
Kristian What? Why? They play good music!
Hannah I'm sure they do.
Kristian You know people have been talking about a huge storm up in the mountains, some even say a huge ice palace has appeared.
Frosty An ice place? Oh, how magical! *(He gasps).* But what does one wear to a palace?
Florrie Sounds like ah, ah, AH... *(the usual business),* oh, thank you. Sounds like that's where we need to go.
Hannah Can you get us there?
Kristian *(Mockingly).* It'll be an honour to help you in your hour of need, Princess.
Hannah Come on then, there's no time to waste, let's go.
Token Well, it was lovely to meet you all, don't be a stranger, hope to see you all in the future.
Kristian You kidding? Of course I'll be back.
Hannah You really like it here don't you?
Kristian Like I said, they play good music!
Hannah If you say so...
Florrie Let's go, shall we?
Frosty Goodbye, everyone!

Florrie, Hannah, Kristian and Frosty exit. Fade to black.

Scene 2

The Castle courtyard. Prince Anders has taken over and enslaved the people. Sinestra and her guards are ruling over them. Everyone is wrapped up in winter attire to stave off the cold.

Anders Well Sinestra, how is everything?
Sinestra Good, your highness, my guards cover every inch of the kingdom and we've jailed anyone who resisted. The Kingdom is well and truly yours.
Anders Splendid.
Sinestra But your highness, this weather is causing us problems.
Anders Problems? How so?
Sinestra Productivity has ground to a halt, this cold makes it almost impossible for the Kingdom to function as it used to.
Anders You know, since the snow came all the servants do is stand gazing through the castle windows. If the weather gets any worse, I may have to let them back in. Sinestra, we need a way to end this winter. *(He starts thinking).*
